From product quality control to shipping services,

we make importing easy!

ABOUT US

CBI provide global sourcing and supply solutions and have been sourcing and developing a variety of products for large scale suPermarkets and chain stores for over 25 years and sPecialise in 'just in time' deliveries and catalogue sales.

With our head office located in Sydney, Australia and offices located in London, Finland, Hangzhou and Guangzhou, China we have develoPed a strong, exPerienced and dedicated team who have the capability to source any item you may need ensuring the Perfect supplier for your product at a comPetitive price and at the highest level of quality.

OUR AIM

Our main aim is to provide our customers, worldwide, with a one stop shop service that includes product sourcing and development, sampling, in-house graphic design, packaging, shipping and logistics, thus leaving our customers more time to focus on the things that will make their business grow and develop, while we handle all the "leg work" and complications that are often associated with importing goods.

OUR PRODUCTS

We have extensive knowledge and exPerience in sourcing all asPects of fishing, camping, fitness, toys, music, sport, garden, travel, home decoration, home and kitchenware, art and stationery, bicycle accessories, tools, KD furniture and building products, farm and rural products, solar/wind/energy, automotive accessories, aviaries, bee keeping, hunting and packaging products.

The relationships we have built over many years with our extensive network of suppliers and factories enables us to provide our customers with a reliable source for the product they are looking for.

AN ETHICAL COMPANY

Our staff are extensively trained to ensure all stringent legislations and laws have been explored, researched, understood and adhered to for any country, worldwide, that we deliver to.

Our SEDEX membership means that we can assure our customers that we taking all the necessary steps to ensure the

products we source are responsibly and ethically done so.

- We are a member of Sedex, ensuring that any Social Monitoring Audits carried out at production facilities are readily available for review by our clients.

QUALITY SERVICE

Our Guangzhou office arranges indePendent Quality Control and Quality Assurance reports at various stages of every product order. These reports are vital in the product sourcing process as they allow us to ensure our suppliers maintain the highest level of quality work.

The reports check for any defects or deviations from the sample, suggests practical and effective ways of resolving any issues, identifies supplier weaknesses, verifies quantity, style, size, workmanship, packaging, colours and ensures that shipping marks are as sPecified. These reports assist us in guaranteeing that the final product you receive is identical to the sample that we supplied, to which you have agreed upon.

BRINGING YOUR PRODUCT TO LIFE

With over 25 years exPerience in the industry, we have develoPed a large database of existing products which our customers can utilise.

If the product that you require is in our existing range you can choose to order it 'as is' or it can be modified/customised to suit your sPecific requirements.

Alternatively, if the product is unique or isn't common, we will take all necessary product and packaging SPECIFICATIONS: from you and then find the Perfect factory to bring your product to life.

OUR TRADE PARTNERS

WE ENSURE ALL OUR PRODUCTS MEET THE APPROPRIATE SAFETY STANDARDS AND ARE CERTIFIED WHERE REQUIRED:

TWINPEAKS LEISURE

A man and a woman are on a rocky mountain peak. The man is standing, wearing a light blue t-shirt, dark shorts, and a large dark backpack. He has his arms raised in a celebratory gesture. The woman is sitting on the rock, wearing a patterned tank top, dark shorts, and a large backpack with a blue sleeping bag rolled up on top. She is looking out over the landscape. The background is a bright blue sky with scattered white clouds.
